

Other:

Eventhough I hope to be able to breed healthy happy dogs, sometimes something goes wrong. Here are healthproblems, wich have come to my knowledge, of dogs from my breeding. Here you can find some "not so serious" faults , too. Like drop ears or undershots.

Old Chum's Divine Comedy	dob. 12.10.1999	euthanized 16.11.2008: Ileus
Old Chum's Dancing Chinese	dob. 12.10.1999-	undershot
Old Chum's Dolce Vita	dob. 12.10.1999	undershot
Old Chum's Easily The Best	dob. 14.10.2001	euthanized, 2004: anorexia: Reason was not found by veterinarian (?), and unfortunately autopsy was not performed afterwards to find the reason.
Old Chum's Easy Going	dob. 14.10.2001	2006: DISKOSPONDYLITIS, (= bacterial or fungal infection of the vertebrae and the intervertebral discs in dogs.) euthanized 09/2007
Old Chum's Funnyface	dob. 11.07.2002	Drop ears
Old Chum's For Fame	dob. 11.07.2002	Drop ears. OCD in elbow joint
Old Chum's For Fun	dob. 11.07.2002	Microphthalmia
Old Chum's For Future	dob. 11.07.2002	2003: Bladder stones, (ok after short period with special diet)
Old Chum's Gipsy King	dob. 06.07.2003	undershot
Old Chum's Heartbreaker	dob. 22.08.2004	Minor heart murmur since birth, no symptoms of heart failure yet
Old Chum's Jackpot	dob. 13.12.2005	undershot, allergies. (?) IBD (Inflammatory Bowel Disease) diagnosed 2007. Euthanized 15.05.2008
Old Chum's Jolly Joker	dob. 13.12.2005	Hydrocephalus euthanized 10.04.2006
